A train bypass of Chicago is needed but underpasses of roads and trains are needed 1st

I fully support the need to lower the tracks in Barrington. It is long over due. It affects businesses in downtown and north & south of downtown.

Before trains are rerouted Plainfield needs 119th, 127th, and Route 126 train underpasses for the roads mention

Gaylord Road crossing by Forest-Crest Hill could and should be closed if Division Street behind Toys R Us Warehouse gets a train underpass for Division, for Crest Hill, Romeville trucks to industrial parks

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
